During the potluck, a slideshow of a week-long field trip in August to the Eastern Sierras will be presented by participants Bill and Patti Smith and Mary Ingorvaia. They will share their adventures to the Alabama Hills in Lonepine, the Reward Mine in Inyo County and visits to the Eastern California Museum in Independence, the Laws Museum in Bishop and the ghost town of Bodie. Their found treasures included calcium carbonate, petroglyphs and the amazing ancient Bristlecone Pine Forest in the White Mountains, home to the oldest trees in the world!

"SHOW & SELL"

Bring items from your personal collection, from your field collecting trips, or bring that nature-related handcrafted item that you created.

"Show & Sell" will begin at 7:30 pm (after the business meeting) and continue until 9 pm.

It's great fun whether your buying, selling, or trading!

Everyone is welcome, so bring friends & family!
